Moe Rail Revitalisation Initial Response

- Integrating Space and Functions

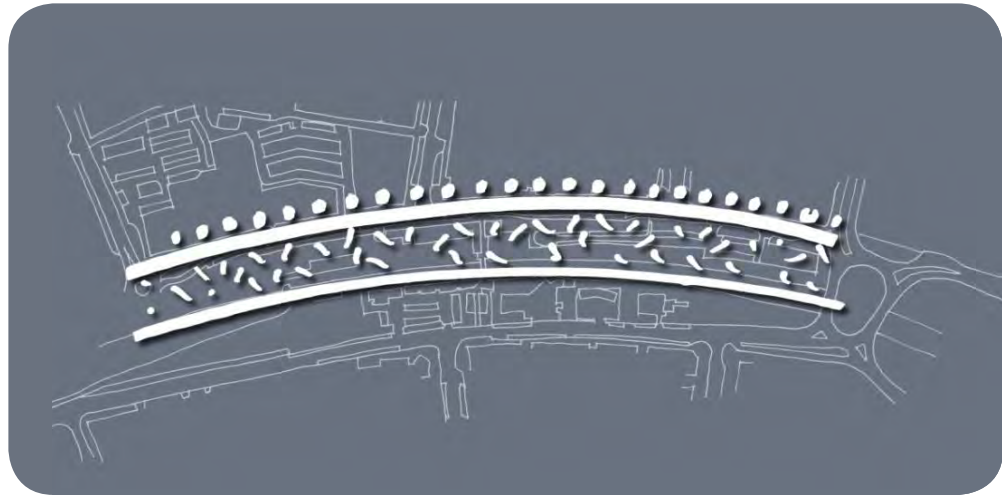

## MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

## Moe Rail Revitalisation Initial Response

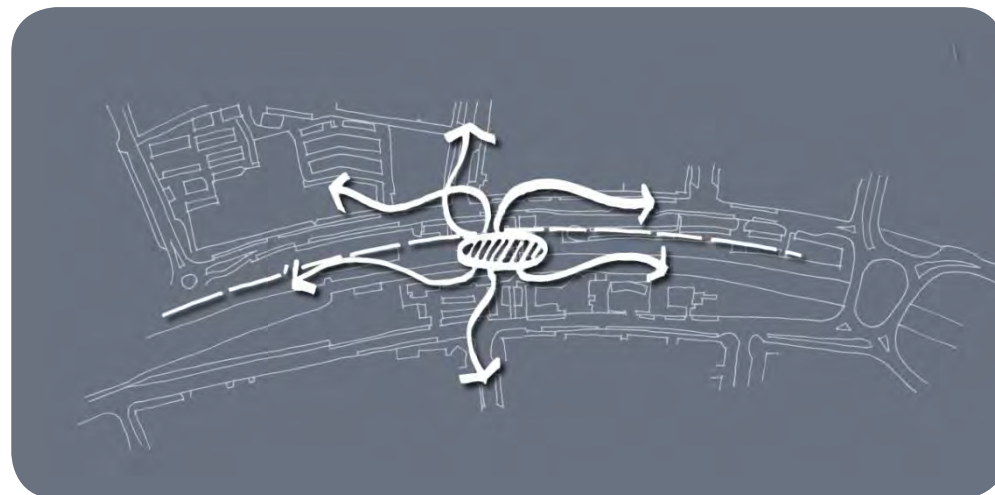

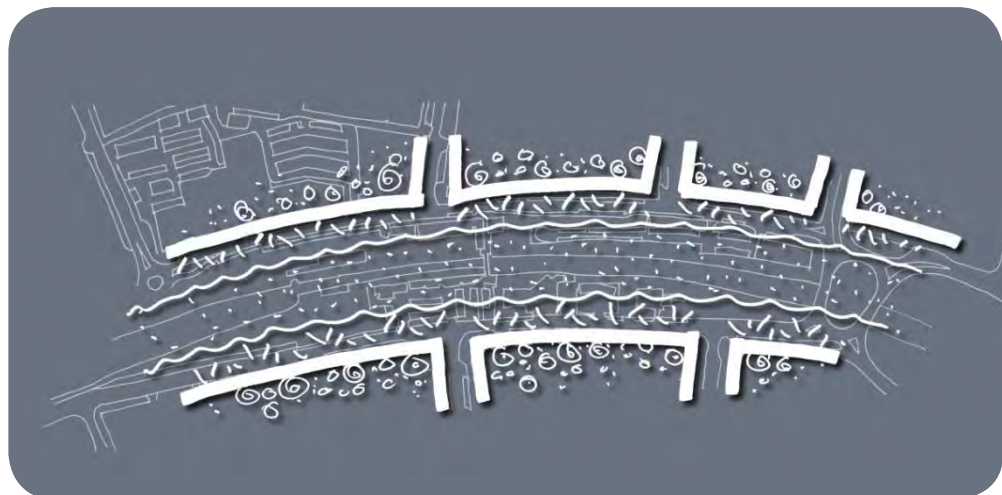

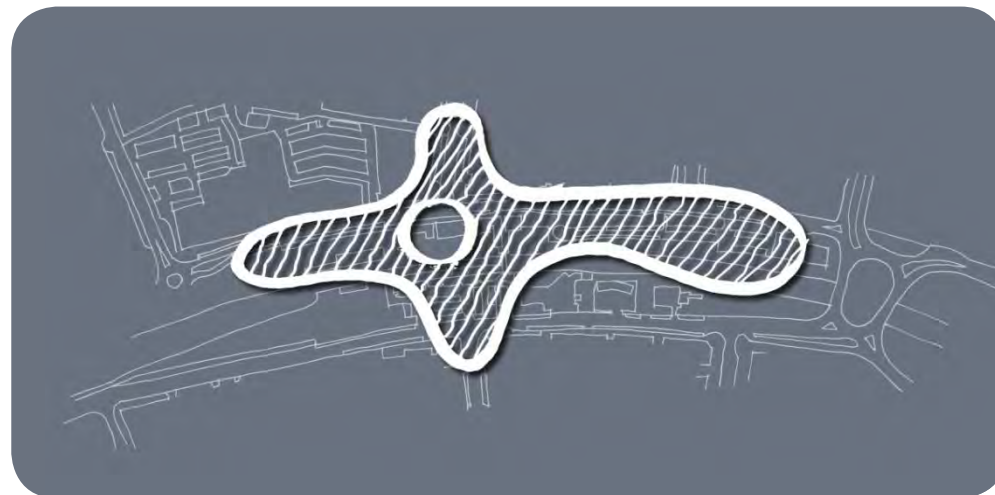

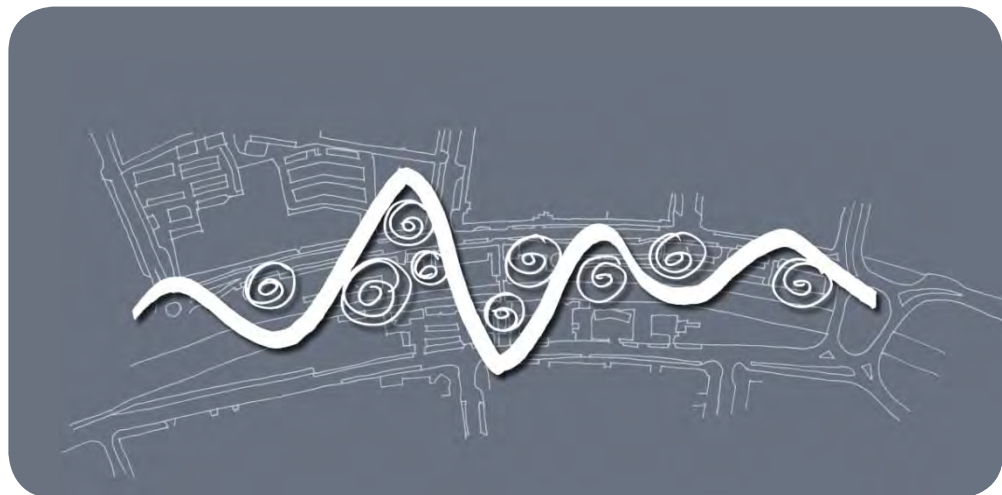

- Overall Urban Design Principles

# MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

Overall Urban Design Principles

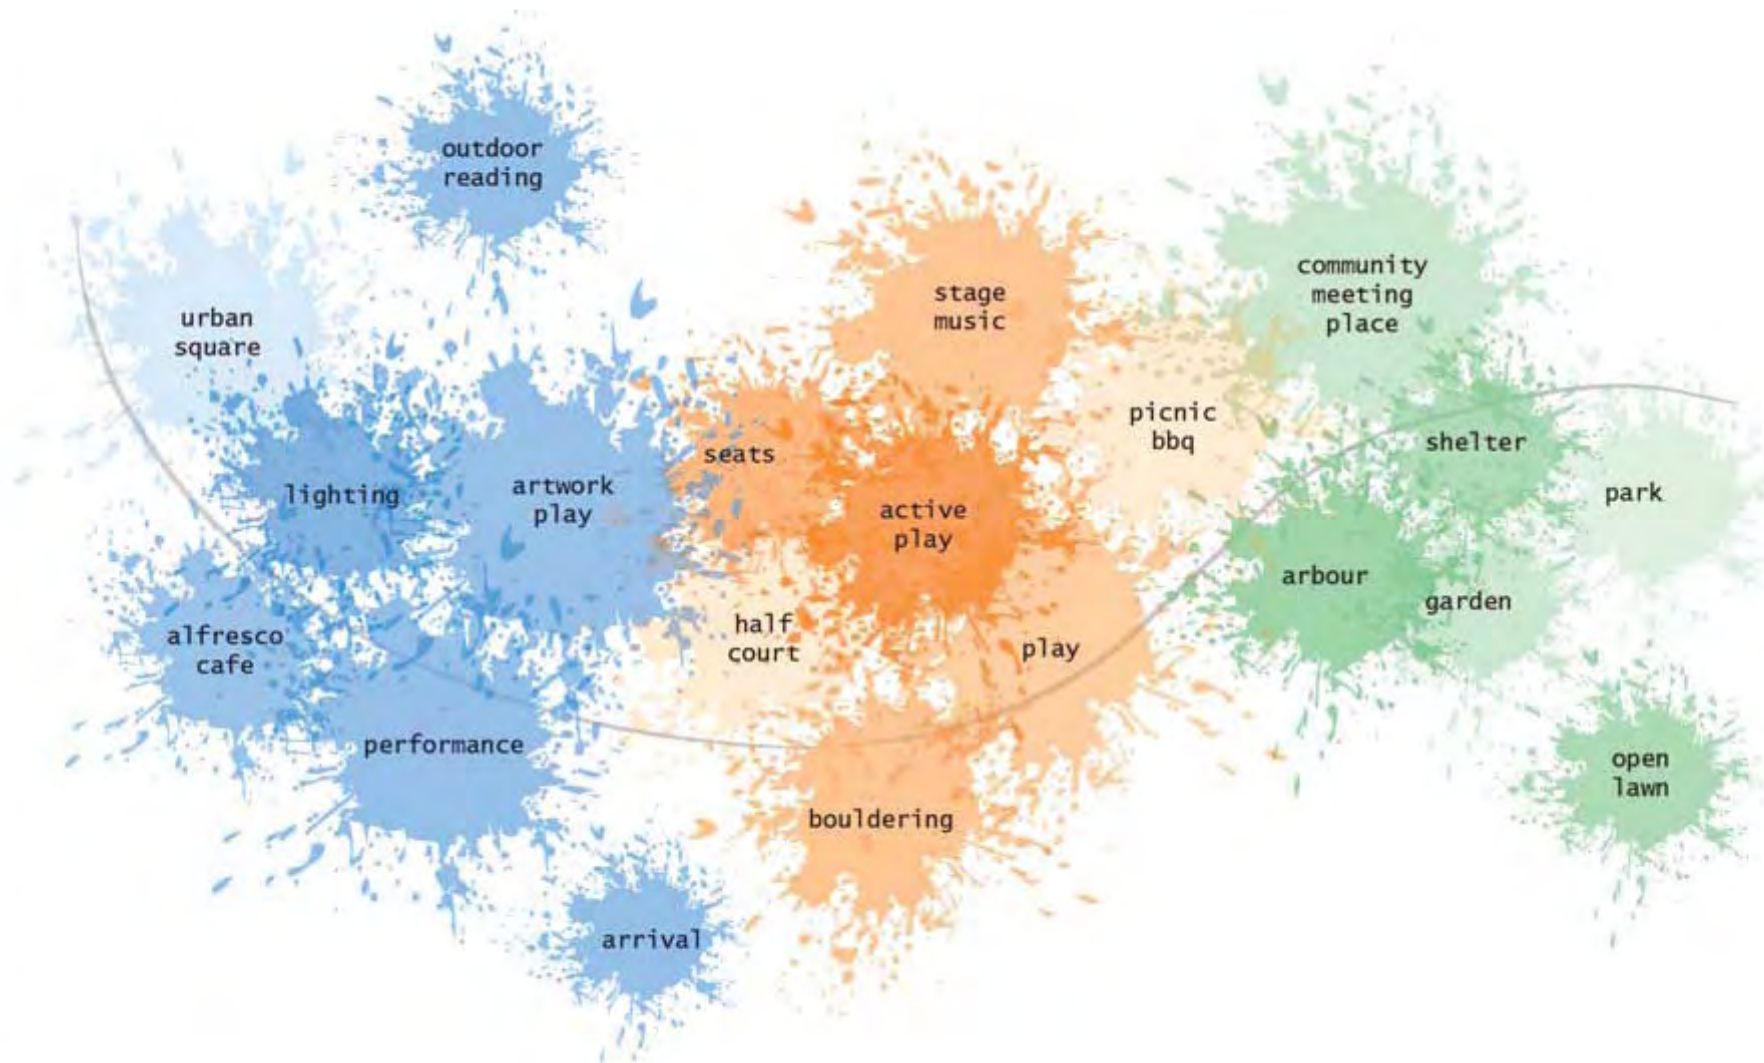

- The Arc as a Civic Destination
- The 'New Civic'
- Integrated Urban Park: Learn, Play, Participate
- A Managed and Curated Hub
- A Catalyst for Investment + Community Pride
- A Transit Destination

MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

## Overall Urban Design Principles

- Linking Activities
- Creating a vibrant civic space

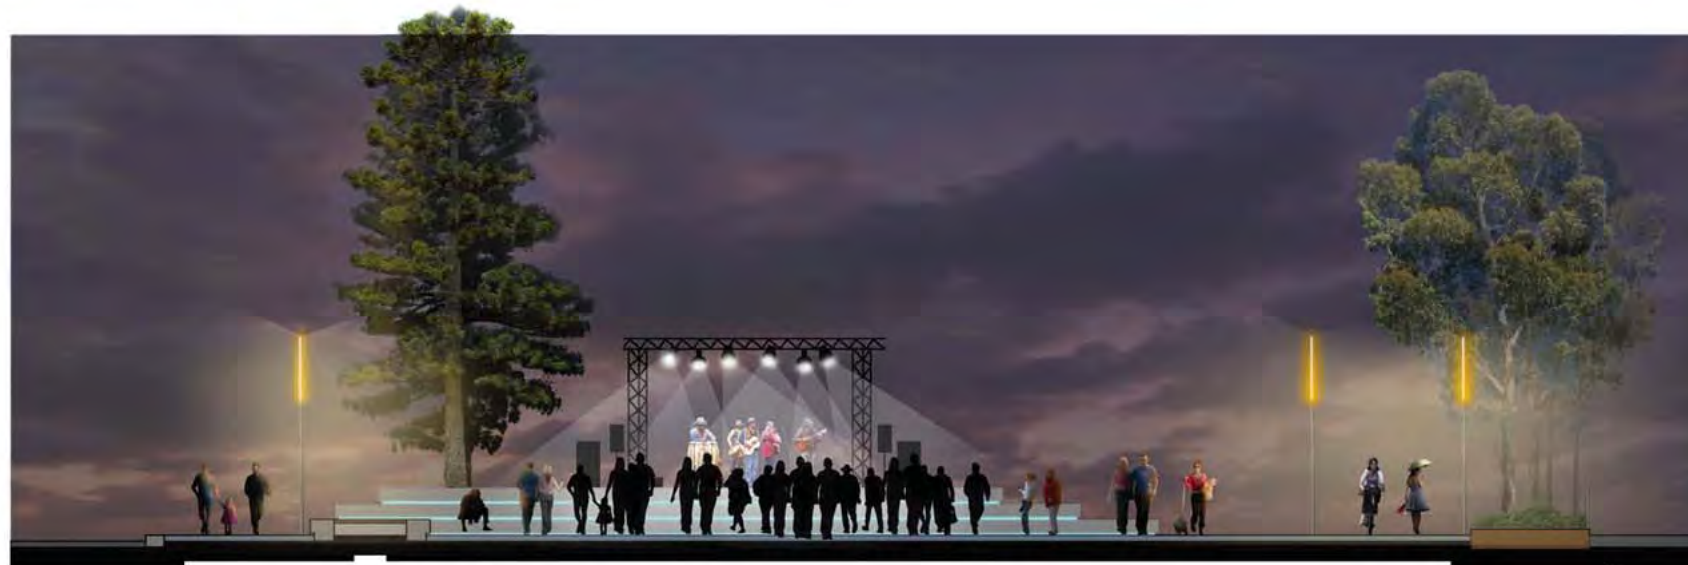

# MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

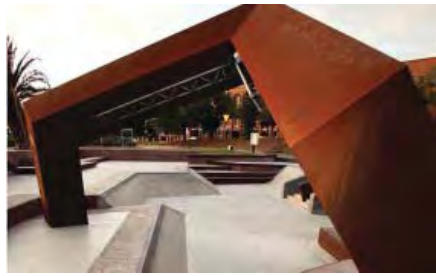

Concept Design Overview:

- Multi- levelled space
- Multi- function space
- Extended functional hours
- Inclusive design for different activities

# MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

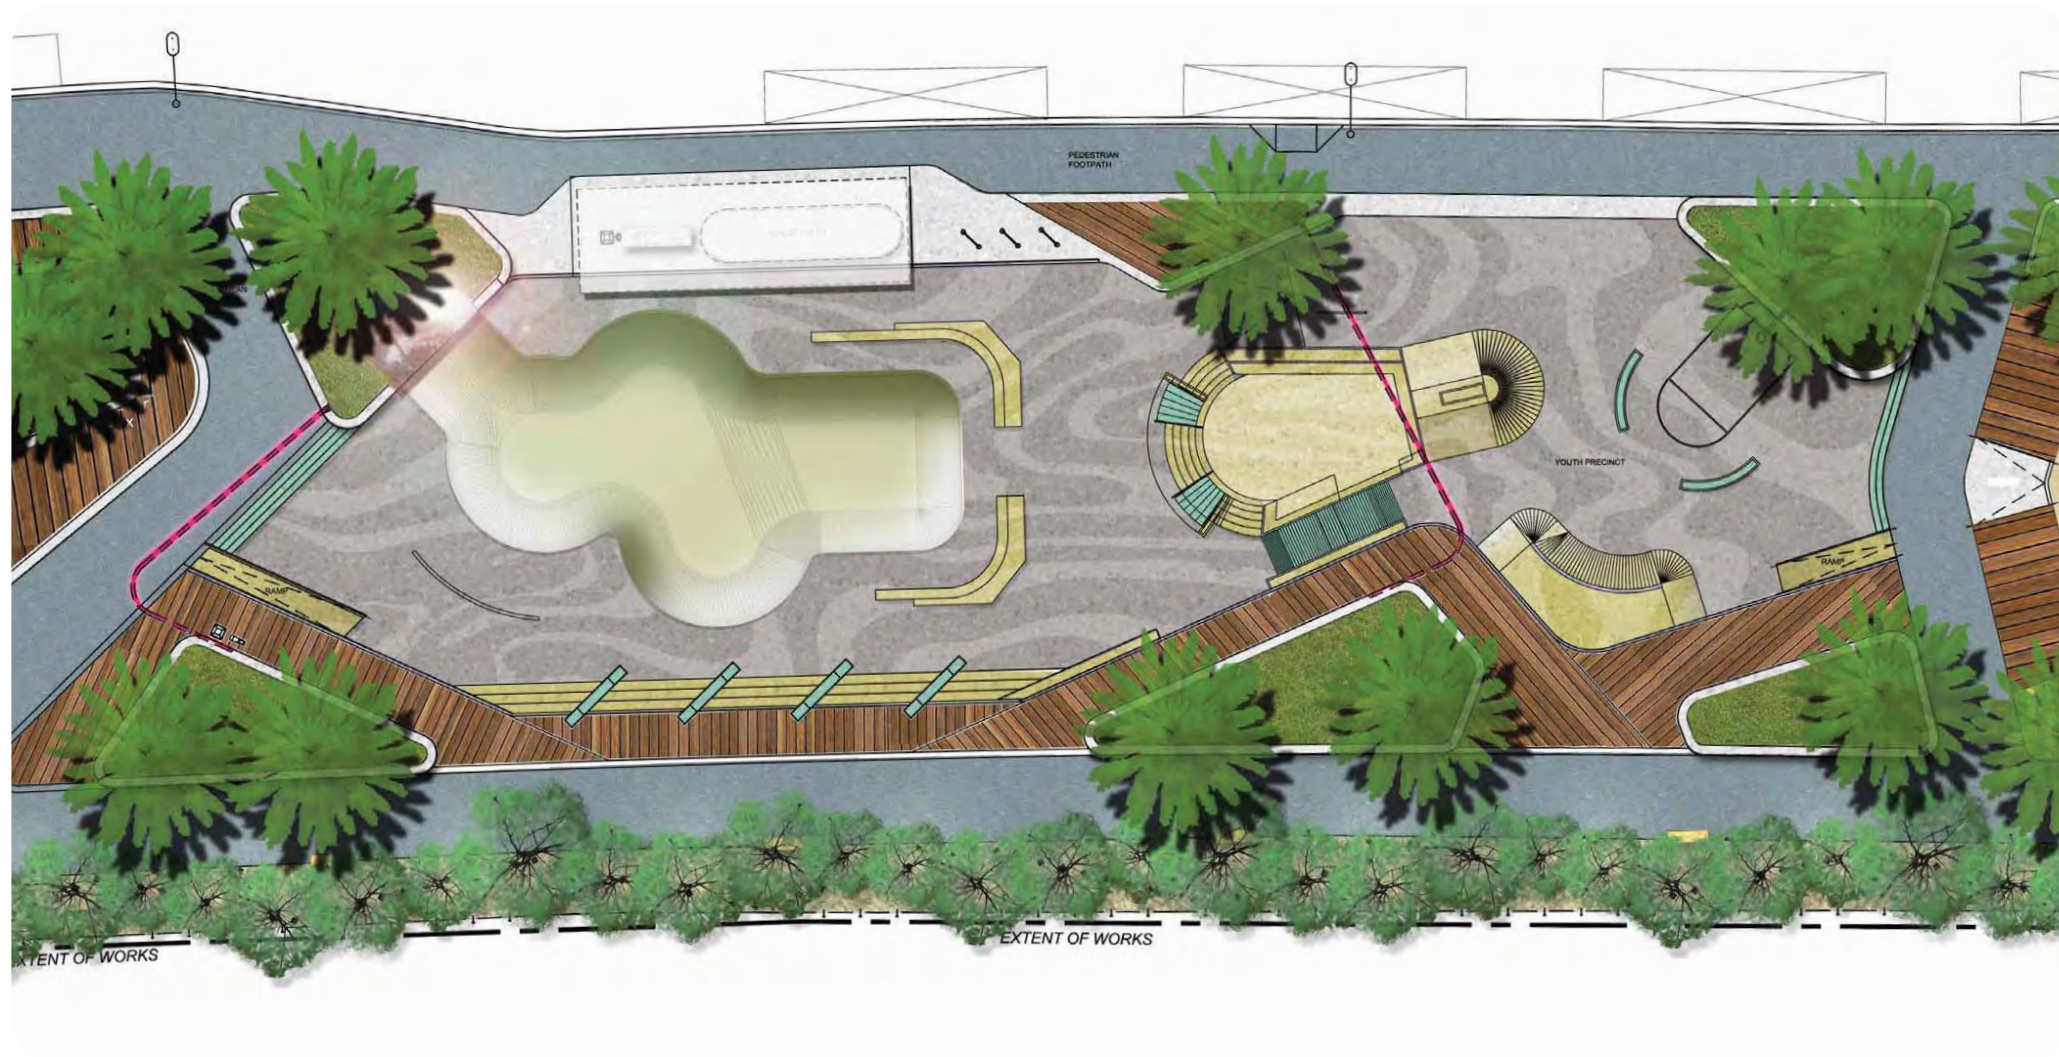

## Youth Precinct Design Response

- Placing Moe's youth at the heart of the site
- Creating a vibrant and diverse space
- Providing numerous choices for all age groups
- Including more sports - football and cricket
- Creating a safe and legible connection between spaces and activities
- Locating BBQ and Picnic facilities centrally to play options
- Increasing pedestrian and visual connection through the site

# MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

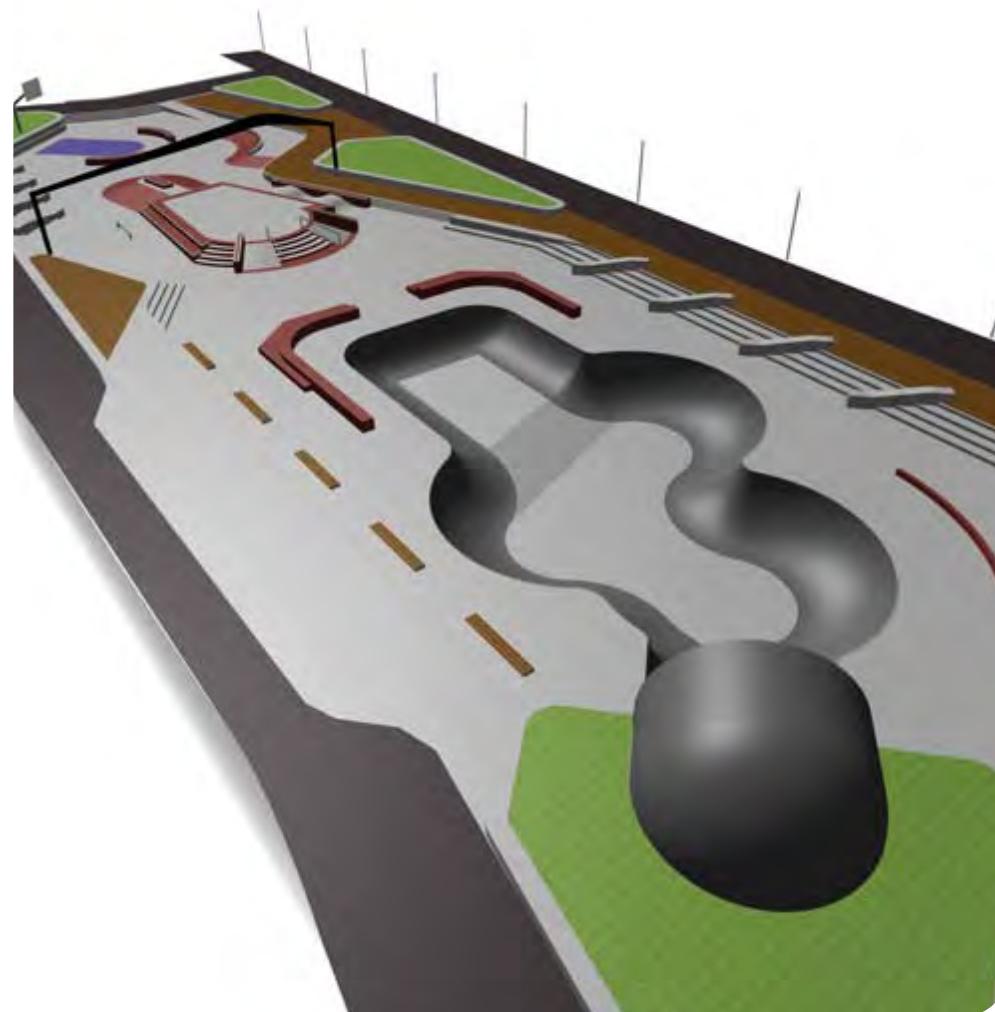

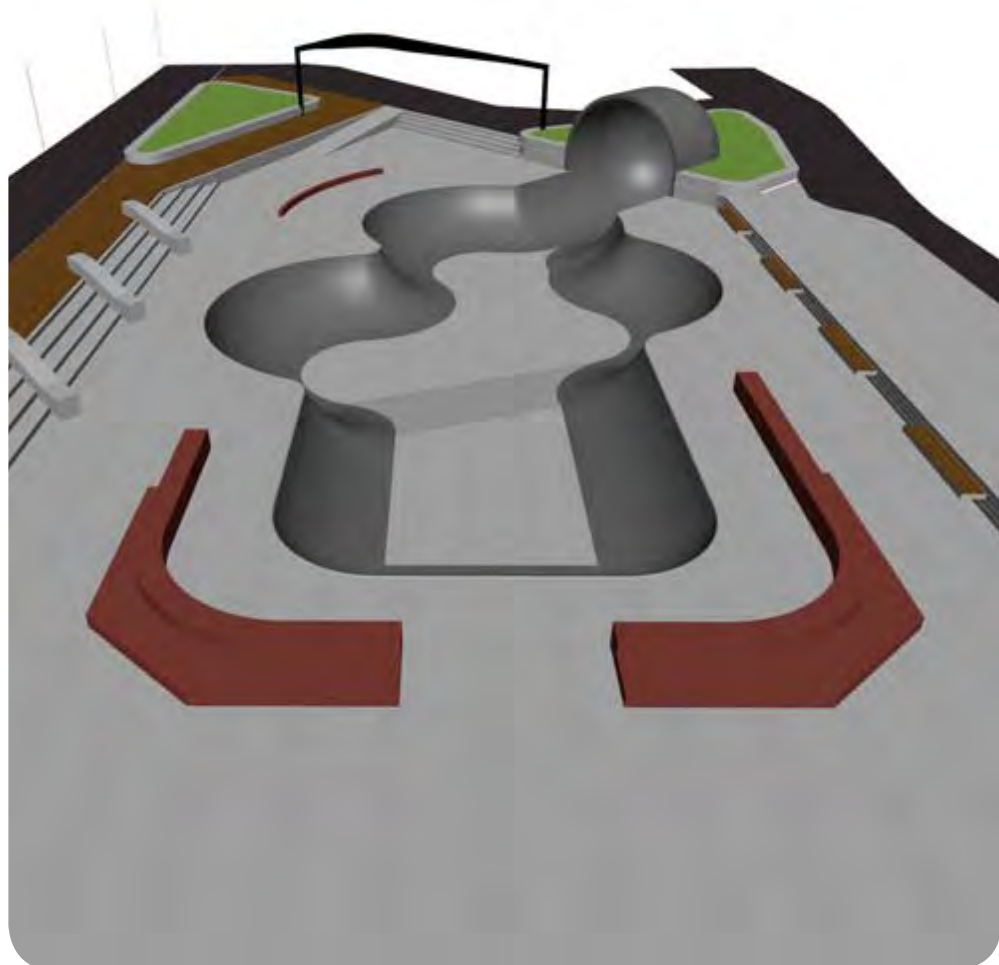

## Youth Precinct Design Response

- Multi-functional skate/bike elements
- Material variation to increase legibility of elements

# MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

### Youth Precinct Design Response

- Multi-functional skate/bike elements
- Material variation to increase legibility of elements
- Integration of LED lights to promote safety at night
- Clear sight lines maintained to the site context
- Lowered level to promote safe transition between Youth Precinct and surrounding activities

## MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

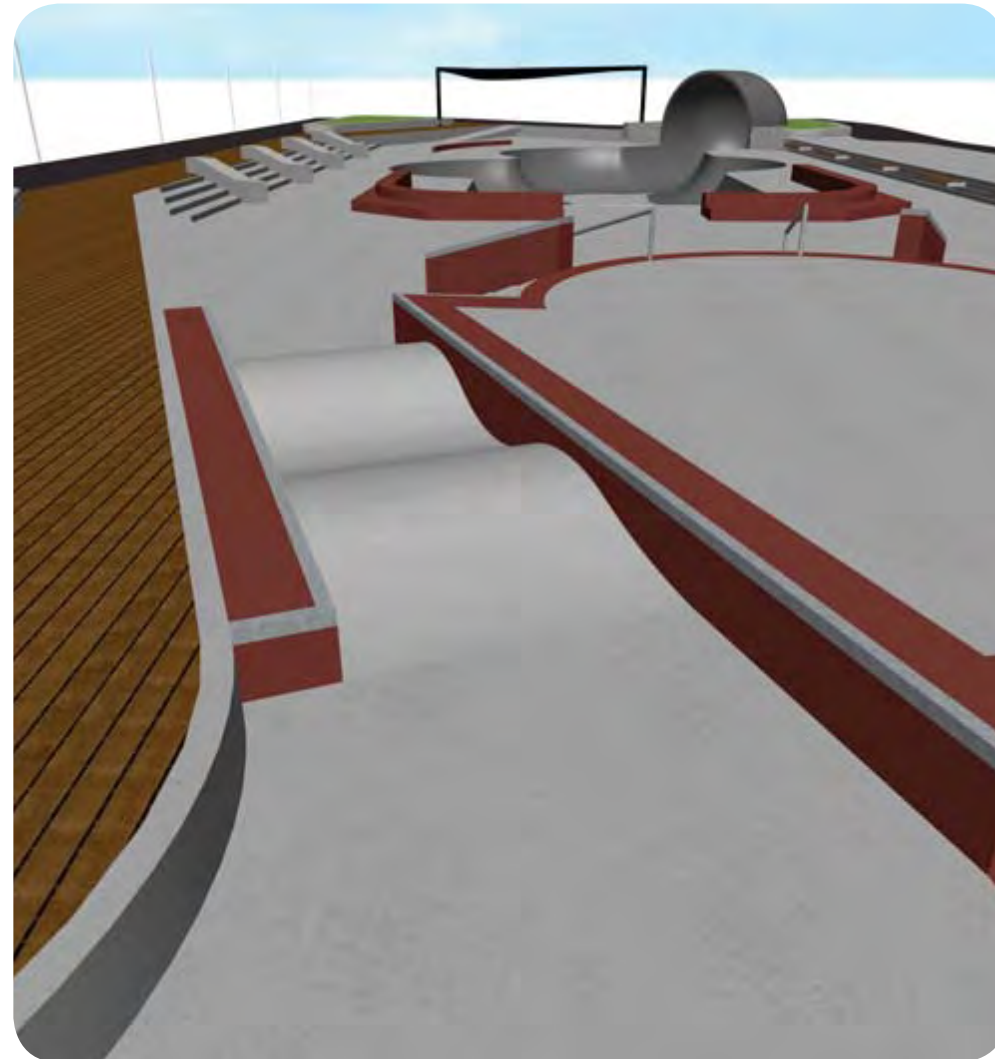

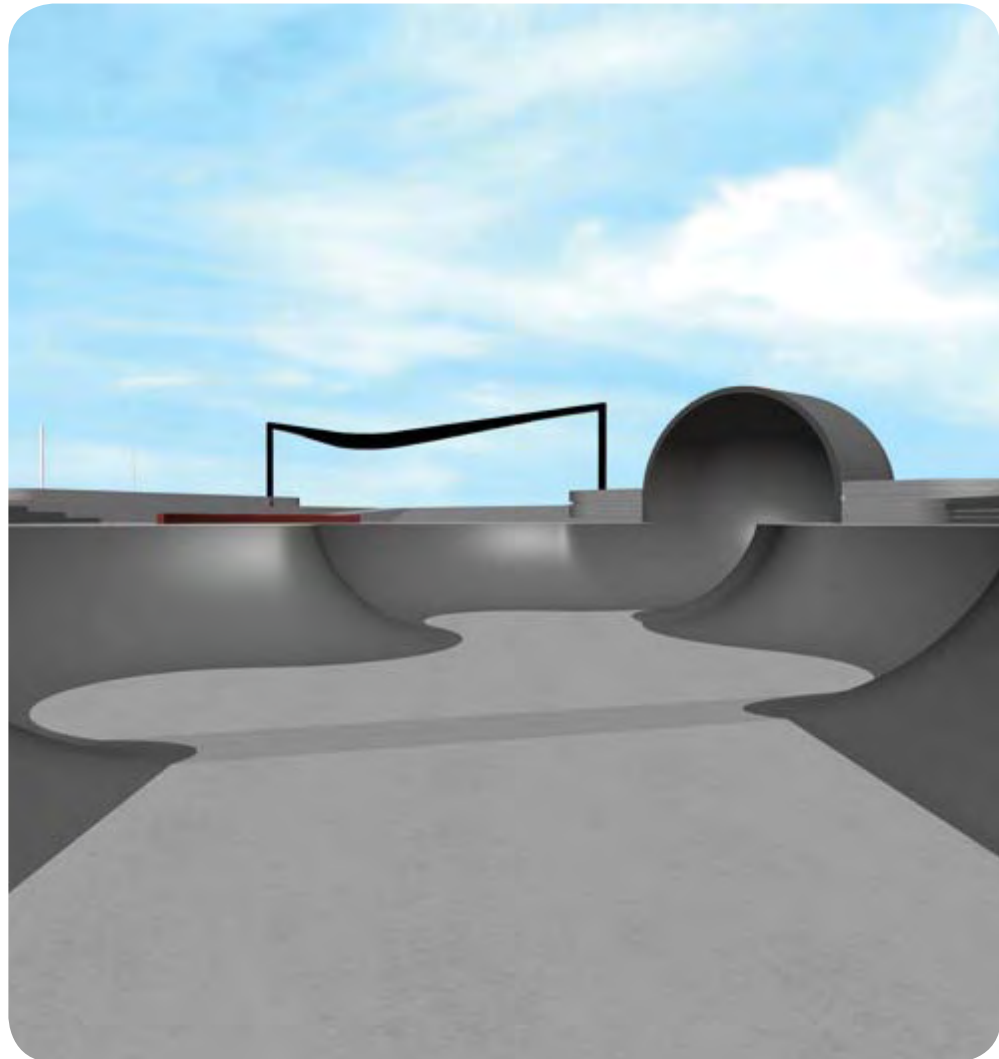

### Youth Precinct Design Response

- Central elements encourage sharing of play areas
- Proposed frame structure incorporates music, lighting, and future information displays

---

## MOE RAIL PRECINCT REVITALISATION YOUTH PRECINCT

#### Youth Precinct Design Response

- Bowl framed by seating to encourage participation of other users in the precinct
- Feature elements such as “whooptys” differentiate the precinct from surrounding skate parks
- Continuous timber edge provides a seating edge for large youth-focused events
