RE: MOE RAILWAY PRECINCT REVITALISATION PROJECT MASTER PLAN

Dear Sir/Ms,

As a young person who resides in Moe, I demand that the Moe Railway Precinct Revitalisation Project Master Plan be implemented immediately as per the resolution of Council on the 7th December 2009 and that Council actively seek funding from both State and Federal Governments to ensure the completion of the project in a timely manner.

In the past two weeks I have spoken to many young people about the designs (180 signatures attached as of today) who are very excited by the town project. It has given them a hope and a positive focus for the future of Moe.

Moe is a central point for many surrounding townships (e.g. Yallourn North, Westbury, Trafalgar, Tanjil South, Willow Grove, Hillend, Thorpdale etc.) and as such needs to have an appealing and functional CBD hub.

A new library with up to date facilities and technology, a civic plaza, a youth precinct which incorporates a new skate park and various landscaped areas including picnic and barbeque areas are fantastic ideas. This project will give the youth something to look forward to.

Yours faithfully,

Virginia Gratton
