Ombudsman

If problems with an energy provider or telephone company continue after speaking with the company you can speak with an Ombudsman. Problems could be related to billing, payment, disconnection, debt or connection. Financial Counselling can also support complaints to the Ombudsman.

Energy and Water 1800 500 509

EWOV is a not-for-profit, independent and impartial dispute resolution service. We handle most complaints about energy and water issues, providing Victorian customers with free, accessible, informal and fast dispute resolution.

Telecommunications Ombudsman 1800 062 058

The Telecommunications Ombudsman provides a fair, independent and accessible external dispute resolution service for residential consumers and small businesses who have an unresolved complaint about their phone or internet service.

The distribution of Emergency Relief in Latrobe would not be possible without the dedicated work of volunteers and community donations. We ask that recipients are respectful of volunteers and staff at all times.

For general enquiries or to obtain this information in languages other than English or in other formats (including audio, electronic, Braille or large print), phone Latrobe City Council on 1300 367 700.
