

# STROLL & ROLL

## Active Travel to School

If you are looking for some ways to make the walk or ride to school more fun, then check out these ideas:

- Go on a scavenger hunt
- Play I-spy with letters or colours
- Copy the leader and do fun activities like dancing, jumping, hopping and skipping along the way
- Play some fun games such as 'Don't step on the lines game' and 'The grass is lava game'
- Play 20 questions - Carry something in your hand and have others guess what it is in there over the course of your walk
- Car Colour: Everyone chooses a car colour at the beginning of the walk and each person tallies how many of their coloured cars they see. The highest total when reaching your destination wins
