

Booking a Latrobe City Libraries Event or Program

We are moving to a new events and program booking system for events taking place from 1 July. You can find the new system by scanning the QR code or visiting www.latrobe.vic.gov.au/libraryevents. Events are no longer on Eventbrite. Before you start, you must have an email address and preferably a mobile phone number. If you don't have a mobile, you can enter a home phone number. If you need help, please visit your local library branch.

1. Viewing programs and events

Visit www.latrobe.vic.gov.au/libraryevents or scan the QR code to view the calendar of events. There are several options to view all programs and events. Click on the drop-down arrow next to the Find Events tab to select your preferred view.

You can choose from: List | Month | Day | Photo | Week | Map

For example, list view enables you to see events listed between dates you select.

Blokes & Banter 2024

December 3 @ 10:00 am - 11:00 am AEDT FREE

Take a trip down memory lane with like-minded people.

If you are a man aged 60 or over, join us for a chat each month. Blokes and Banter is a social club to connect, reminisce and indulge in the nostalgia of days gone by. The group will be facilitated by a friendly library team member, but the subject matter and pace is led by participants.

You don't need to know anybody to come along, but you're welcome to bring a friend or two if you like! Snacks provided.

Bookings preferred.

5. Children's programs and other frequently occurring events

As children's programs are programmed so frequently, there is no function to 'book' a spot. Instead, you can view the details of the program and add a session to your personal calendars, if they like (Google, Outlook or Apple calendars).
