This form is used to request access to documents held by Latrobe City Council ("Council") under the Freedom of Information Act 1982 ("the Act"). A non-refundable statutory application fee of \$32.70 must be paid for your request to be processed.

Payment can be made in person at one of Council's Service Centre's by cash, card, cheque or money order payable to Latrobe City Council. Alternatively, you may post your payment via cheque or money order payable to Latrobe City Council.

Application Fee Waiver

Under section 17(2B) of the Act, you may apply for a fee waiver if payment of the application fee would cause financial hardship. To be considered for a fee waiver, you must supply evidence such as:

- low-income concession card issued by Centrelink; or
- evidence of unemployment; or
- healthcare card; or
- bank statement; or
- statutory declaration outlining why payment would cause hardship; or
- any other document you believe will support your application.

Council will assess your fee waiver request and let you know the outcome. Please note each request must be assessed on the individual circumstances, meaning you may need to provide more than one document in support in order to demonstrate the actual financial hardship required for fee waiver eligibility.

I request a fee waiver and have included evidence of financial hardship.

***Note: The fee waiver request applies only to the application fee. Please be aware if your fee waiver has been approved, further charges such as photocopying costs, search time and supervision time may be payable for providing any documents to you.**

Any such charges will be calculated in accordance with the Freedom of Information (Access Charges) Regulations 2014. More information on fees and charges is available in the Freedom of Information Guide located on our website. All fees are applicable as at 1 July 2024.

3. Edited copies

The document(s) you requested may contain exempt or irrelevant information.

Under section 25 of the FOI Act, we can in some circumstances provide edited copies of document(s) with exempt or irrelevant information removed. However, we are only able to do this if you indicate you will accept an edited copy of the document(s), and if it is practicable for us to make edits. If you don't agree to receive an edited copy, we may decide the entire document is exempt and refuse access to it in full, even if there is some information that could be released to you.

In the event we consider the document(s) you requested contain exempt or irrelevant information, do you agree to receive an edited copy with the exempt or irrelevant information removed?

I agree I do not agree to receive access to an edited copy of a document with exempt or irrelevant information removed in accordance with section 25 of the FOI Act.

It may be helpful to exclude certain documents or information from your request if it isn't particularly necessary or relevant. This may allow us to process your request more quickly by potentially reducing the number of documents to assess or removing the requirement for us to consult with third parties.
