

LatrobeCity
COUNCIL
PLAN
2017-2021

The 2017-2021 Council Plan reflects the clear understanding that Latrobe City's community is in significant economic and social transition.

The Councillors are united in their vision and belief that at the core of delivering on its responsibility for the wellbeing, prosperity and good governance of the municipality, the efforts and resources of Council should form a concentrated focus on employment, economic growth, liveability, and a connected Latrobe City.

Together these areas of endeavour will empower and position the community to pursue opportunities; be proactive in determining our collective future state; and reach our full potential as a regional city of integrity and success—based firmly in a shared understanding of the values, principles and aspirations of who and what we want to become.
