**9.3 2016/09 - REQUEST TO THE PREMIER TO RELEASE GROUND
MOVEMENT INFORMATION FOR PART OF MORWELL**

Cr Graeme Middlemiss

I, Cr Middlemiss, hereby give notice of my intention to move the following motion at the Council Meeting to be held on Monday, 11 April 2016:

That Council writes to the Premier and Minister for Energy and Resources requesting that all available information on ground movement in that part of the town of Morwell to the north of the Morwell/Hazelwood Mine be made publicly available.

This information to be released in the same format as that formerly released on an annual basis by the State Electricity Commission.

If such information relating to the period since Power Industry privatisation cannot be made publicly available;

- 1. Immediate action be taken to carry out ground movement measurements in the same format, and at the same locations, as those previously conducted by the State Electricity Commission.**
- 2. The results of these measurements to be publicly released in table format which will allow direct comparison between the SECV measurements and the current situation.**
