Cr Sharon Gibson

I, Cr Gibson, hereby give notice of my intention to move the following motion at the Council Meeting to be held on Monday, 12 September 2016:

That Council:

- 1. Develops a report investigating the Moe, Morwell, Traralgon and Churchill Central Business Districts footpaths that includes the following information:**
 - a) A current asset condition assessment.**
 - b) The number of current defects that require rectification.**
 - c) The number of customer requests that have been received over the past five years.**
 - d) The number of insurance claims that have been received by Council.**
 - e) The history of major reconstruction works that have been undertaken in each centre since 1994.**
 - f) What work, indicative costs and timeframe would be required to redevelop the CBD's to an adequate standard**
 - g) If any major works are to be proposed for Council's consideration as part of Council's future capital works programs; and**

- 2. Receives a report in relation to the potential changes to the layout of parking bays in the Moe Central Business District that would alleviate the current problems associated with the on-street car parking areas where street trees are located in the road.**
